## **California Foundation for Stronger Communities Makes Generous Donation to FHF**

**Long Beach, CA, October 3, 2024:** Fair Housing Foundation has received a generous donation from California Foundation for Stronger Communities (“CFSC”) of \$30,000 to continue the FHF mission statement of dedication to eliminating discrimination in housing and promoting equal access to housing choices for everyone.

The CFSC donation is made possible by the Board of Directors of the California Foundation for Stronger Communities, a California non-profit public benefit corporation, and acts as the Board of Directors for the California Municipal Finance Authority (“CMFA”). Their goal is to “strengthen local communities by assisting with the financing of economic development and charitable activities throughout the State of California.” The donation received by Fair Housing Foundation is a direct result of the services CMFA provides to local governments, non-profits and businesses. To learn more about CMFA, visit their website at [www.cmfa-ca.com](http://www.cmfa-ca.com).

Thanks to this generous donation, FHF programs and facilities will be strengthened to meet the ever-growing demand of the community to continue providing quality fair housing services that directly impact neighborhoods and families.
